NOTES ON THE COMPLETION OF SECTIONS 1, a) THROUGH j)

- a) LICENSEE NAME and HANGAR #
Please print full name of Licensee (only one person, individuals only and no corporations or D/B/A). If this form is for a RENEWAL, please fill-in the current HANGAR #.
- b) LICENSEE TELEPHONE NUMBERS
Please provide as many contact phone numbers as applicable.
- c) LICENSEE HOME ADDRESS
Please provide an address for your primary place of residence. P.O. Boxes on this line cannot be processed.
- d) LICENSEE BILLING ADDRESS
Please provide the address you want the billings and statements sent to. P.O. Boxes on this line are acceptable as long as a primary place of residence was provided in Section c).
- e) LICENSEE E-MAIL ADDRESS
For convenience and for occasional, non-emergency communications, please provide an E-Mail address if applicable.
- f) EMERGENCY CONTACT NAME
Please provide the name of an individual that we should contact only in the case of an actual emergency. This must be someone other than LICENSEE.
- g) EMERGENCY CONTACT TELEPHONE
Considering the nature and use of this information, please provide as many phone numbers for your preferred EMERGENCY CONTACT if the need were to occur.
- h) PILOT/USER NAME(s)
From time to time, the Airport receives requests from individuals seeking access (keys, entry, gate cards, etc.) to your assigned HANGAR. In the interests of all involved, including potential liability, we invariably decline those requests without direct authorization (phone or letter) from the LICENSEE. Accordingly, please provide the names of individuals that are either partners in the aircraft or that you wish to pre-authorize for regular and customary access. If more space is needed, attach a separate list to the submittal. Also, do not use this section for multi-user Club Aircraft/Hangar arrangements since those cases are treated separately on a case by case basis with the Airport. If you have any questions, please call the Airport Office.
- i) AIRCRAFT
Please provide the FAA registered N-Numbers for the permanent owned aircraft to be stored in the Hangar as a condition of the License Agreement. Leased or loaned aircraft and corporate aircraft owned by someone other than LICENSEE must be registered as well. Registration of non-owned aircraft under this license will be subject to verification.
- j) SIGNATURE OF LICENSEE
To be signed by LICENSEE only. Please check with the Airport Office regarding alternative arrangements and or configurations.
